The Examination In the Sunny-side Liquor Case.

PLENTY OF PROOF SUBMITTED

The Defense Will Be That Mr. Wilbert Sold Out Long Ago--The Courts Busy With Small Cases.

Assistant Prosecutor Burns made it uncomfortably warm for Sunny-side yesterday in Justice Holcomb's court. William Wilbert, who was arrested for keeping open on a legal holiday, was having an examination. A half dozen witnesses were sworn and all agreed that the place was open and that liquor was sold there. It was proven by the county treasurer that a license was issued to William Wilbert to sell liquor in the Sunny-side hotel in Wyoming township. There is no record of any transfer of the license. It is claimed by the defense that Wilbert sold out the place some time ago and that a man named Meyer is the proprietor of the place at present and that Wilbert has nothing to do with it. One of the witnesses, under oath, stated that he bought beer on February 22 in the hotel, and the prosecutor will make it warm for the proprietor on a charge of selling to a minor as the present case. The prosecution rested and an adjournment was taken until March 8.

Has Had Enough of Her. Robert Mann is trying to get a divorce from Sarah Mann in the circuit court. Sarah was at one time in her life, long ago, known as Sadie Roberts. She came to the city with Bill White, and was for a time known as Sadie White. She married Mann a year ago, but has now left him, and it is said is living with a colored man in Ellsworth avenue. She was one of the main witnesses in the colored scrap case in police court Wednesday afternoon. Mr. Mann is not enough to be the father of Sarah.

Oberlin College Sues. The board of trustees of Oberlin college today filed suit in the circuit court yesterday to foreclose a mortgage of \$4,500 and interest. The mortgage was given by John Schooley and wife in 1884. Martin P. Binkoff, Edmund M. Stickney, Mary Stickney and Charles W. Coit, executor of the estate of Daniel W. Coit, in trust for Eliza C. Haines, are made co-defendants as subsequent purchasers of the property. The mortgage covers farm lands in Clinton township, and there is now due \$4,864.41.

Chinamen Must Go. Hong Hong and Sam Wing were examined before United States Commissioner McQueen yesterday, and while he did not decide the case, there is little doubt but that he will order them sent back to China. According to their own testimony, they came to America one year after the act of 1882 was enacted, enclosing their money and papers. Commissioner McQueen will not decide the case until one of their friends in Livingston comes here to see them and settle up their affairs.

Minor Court Notes. Alexander Mathewson secured a judgment for \$212.80 and costs against Libbia Kuhn in Judge Grove's court yesterday. The suit was brought to recover payment on a monument which Mr. Mathewson sold to Mrs. Kuhn. No testimony was taken in the Albert Walsh examination yesterday, but the case was adjourned until next Tuesday, when the testimony will be read. The defense will probably not put in any evidence on the examination.

George Ridgeway, charged by J. C. Wilson of about \$100 cash from his house in his suit and has not returned. He will probably be before Justice Holcomb today. Ed Chinnick pleaded guilty to a charge of gambling in the superior court yesterday. He will be sentenced to day. Margaret C. Cook secured additional bail yesterday and was released to appear in court on May 2. Justice Wilson in the superior court for the March term will be drawn at 10 o'clock today.

Circuit Court. Juror Gustaf--Alexander Mathewson vs. Libbia Kuhn et al. garnishment; judgment on default for \$212.80, costs taxed at \$27.40. Juror Arroy--Robert Mann vs. Sarah Mann; adjourned. Superior Court. Juror Bismarck--The People vs. Margaret Cook, selling females to enter a house of ill fame, admitted to jail in the sum of \$1,500. CRAZED WITH ITCHING

And Pain from Eczema. Scratched until Blood Came. Scales Like a Fish. Cured by Cuticura.

I had a very bad case of Eczema on my neck. It was just terrible. At times it seemed as if it would drive me crazy with itching and pain. Through the day it would itch, causing me to scratch until the blood would come, and during the night I would scratch over so that I would scratch scales of like those of a fish. Do not send with the family physician for a course. He gave me temporary relief, but my trouble would come back at about the same time each year. Then I began using CUTICURA REMEDY, which has entirely cured me. MISS HANNAH M. WILLIAMS, Lawrenceville, Indiana Co., Ind.

Fine Head of Hair.

My head became very sore and all my hair fell out. I spent all I could make in doctoring, but without success. I began using CUTICURA REMEDY, and in six weeks my hair was well, and I then used the same time each year. I now see that there is not a finer head of hair in Northern Indiana than mine for only a year's growth. MRS. L. A. C. FLETCHER, Butler, Indiana.

SPRING & COMPANY'S From every celebrated manufacturing center of the world. Just another proof of the wisdom that has controlled the buying.

DRESS GOODS LACK A fixed language.
